Practicum (Fieldwork) Enrollment
Prerequisites

All students must meet the following requirements in order to enroll in the Introductory or Advanced Practicum:

- All CHAD majors or minors must complete CAS 101, 201 with a “C” (2.0) or better prior to taking the first practicum course. Students MAY NOT take a prerequisite course concurrently with their practicum course.
- You must be concurrently enrolled (co-requisite) in both CAS 394 and CAS 394L (lab) or the advanced practicum CAS 454, 464, 474, 494 and corresponding (lab) (the lab is the 60 hours). The advanced practicum is selected based on the option the student has selected to follow.
- You must attend a mandatory Fieldwork Information Session (FIS) in person https://booknow.appointment-plus.com/6nnybd5c/ or on-line http://hhd.fullerton.edu/cas/ up to 2 semesters prior to the first practicum class meeting. Proof of attendance will be required by the Practicum Instructor. Students only need to attend one FIS.
- All Practicum sites must be approved and registered with the Center for Internships and Community Engagement (CICE): http://www.fullerton.edu/cice/students/info_cards.php
Students must register on CICE prior to beginning their practicum site hours.

- Students who are currently employed at a site that serves infants, children, adolescents or families MIGHT be able to use their employment as their Practicum site. Confirm your employer is listed on the CICE database if you are considering completing your hours at your work site and follow the requirements for employment approval on the Employment Waiver Link.

- All Practicum hours must be completed during the semester that you are enrolled in the practicum course.

- Students interested in participating in the International Short-term Study Abroad Practicum (view this link): [http://hhd.fullerton.edu/cas/International/intloppt.htm](http://hhd.fullerton.edu/cas/International/intloppt.htm)
  Students must also attend the Fieldwork Information session and enroll in the assigned International Practicum course once approved to attend this practicum.

- Follow the course sequence below. It is recommended that the Introductory practicum be taken in the same semester as CAS 325A. Ideally this is the expected sequence:

<table>
<thead>
<tr>
<th>Junior 1st sem</th>
<th>Junior 2nd sem</th>
<th>Senior 1st sem</th>
<th>Senior 2nd sem</th>
</tr>
</thead>
<tbody>
<tr>
<td>CAS 300</td>
<td>CAS 325A</td>
<td>CAS 325B</td>
<td>CAS 490T</td>
</tr>
<tr>
<td>CAS 301</td>
<td>Option Assessment Course <em>(CAS 305/310)</em></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td>CAS 394/L</td>
<td>Advanced Practicum</td>
<td></td>
</tr>
</tbody>
</table>
