SHORT LIST OF CICE APPROVED SITES

If you are planning to take a practicum course for the CHAD major or minor you will need to attend a Fieldwork Information Session (in-person or on-line). At the Fieldwork Information Session (FIS) you will learn how to find a site that is approved by the CAS Department. If you plan to use your employment you must have your work site and role approved by your CAS Practicum Instructor. Here is the link to the CAS website with additional information about the type of site you need for your practicum and how to have your employment approved: http://hhd.fullerton.edu/cas/Practicum/index.htm

Listed below are some practicum sites that are approved by CICE and that are many times available for students up to the time that the semester begins. These are only a few of many sites that are on the CICE data base. Here is the link to find other sites on the CICE database: http://www.fullerton.edu/cice/_resources/pdfs/infocards/InfoCard_CAS.pdf

Please send an e-mail to the Fieldwork Coordinator if any of the sites listed below are no longer accepting students or are no longer in operation.

Send the e-mail to: chadfieldwork@fullerton.edu

Some of the listed (highlighted yellow) sites have daytime, evening and weekend hours and those (highlighted aqua) do not have Summer internships:
