Has your counseling program lost faculty (retirement or resignation) in the past 18 months?

Yes

No

Does your program anticipate any new faculty positions being added in the next 18 months?

Yes

No

Please provide a contact email address. This address will be used if the CACREP office has any questions about the information provided in this survey.

Lbrew@fullerton.edu

Final comments? Please share them below:

Regrading all statistics: We have many non-binary students but they did not identify as such on University paperwork. However, about 1/3 of our new class identifies as non-binary, where the two previous entering classes are at about 10%. This year, we were unable to get disability statistics. Finally, many students postponed graduation due to COVID, and graduates had a much more difficult time finding jobs upon graduating in fall 2020 and spring 2021. Regarding hiring: We have been pushing the Dean's office to hire a bilingual/bicultural instructor who speaks Spanish and won that Search, which we are doing now. Additionally, we will be losing 2 faculty to retirement in the next year to two years, at most.

REMINDER: Posting Program/Student Outcomes

Your responses to Program/Student Outcomes questions from this survey need to be made publicly available on your program's website by January 7, 2022, and a hyperlink to that web page needs to be sent to cacrep@cacrep.org. The information to be posted includes the following four data points regarding each of your accredited specialty areas: (a) number of graduates in the past year, (b) completion rate, (c) licensure or certification examination pass rate, and (d) job placement rate of students/graduates. Posting a link to your completed report will satisfy this

students/graduates. Posting a link to your completed report will satisfy this requirement.

If you are a new program completing the Vital Statistics Survey for the first time, you need to publicly report these data points in a program outcomes report on your program website. Once this report has been posted, you then need to send a hyperlink to the report via email to cacrep@cacrep.org.

If your program submitted a Vital Statistics Survey last year and you have previously posted program outcomes on the program website, you need to update your program outcomes report to reflect the most current data. If the hyperlink to the outcomes report changes when you update this information, you need to send a copy of the new hyperlink via email to cacrep@cacrep.org.

You will NOT have an opportunity to receive a copy of your completed survey later. If you want a copy of your completed report, please ensure that you click the "Download PDF" link on the page after this question. Do you want a copy of your completed report?

Yes

Definitely
