Re: Suicide Risk Assessment and Intervention

Dear Board Staff Member:

Please accept this letter as confirmation that students who have graduated from the Department of Counseling at California State University, Fullerton have completed a minimum of six hours of coursework or applied experience under supervision in suicide risk assessment and intervention. The coursework has been obtained as part of the graduate degree program that qualified them for licensure. The following courses contain this information:

- COUN 511 Pre Practicum (2 hours)
- COUN 522 Techniques of Brief Treatments & Assessment (3 hours)
- COUN 526 Professional, Ethical and Legal Issues in Counseling (3 hours)
- COUN 535 Addictions Counseling (3 hours)
- COUN 538 Crisis Intervention and Trauma Treatment (10 hours)

Any alumni who graduated after January 2006 would have met the criteria required of receiving at least six hours of coursework in suicide risk assessment and intervention.

If you need more information or have any questions, you can contact Dr. David Hart, Clinical Training Director at dhart@fullerton.edu

Sincerely,

David Hart, Ph.D., LPCC
Clinical Training Director
