How was CSUF prepared you for your future?

I have found an incredible network of social support. There is no shortage of professors, students, and resources on campus available to help students. I have grown emotionally and professional while better understanding what I have to do to fulfill my goals.

How has HHD prepared you for your future?

HHD emphasizes service, learning and hands-on, practical experience. I have taken this to heart. Professors and staff are more than willing to answer questions and point you in the right direction.

What are some tips for students at CSUF?

Your comfort zone is a beautiful place; there are no surprises there. Now, get out of it. You will experience the most important and meaningful growth and lessons of your life when you step out of your comfort zone.

What are some benefits of being involved?

I have met wonderful people who continue to inspire me to be the best version of myself. I have become more confident, and at the same time less afraid to poke fun myself.

“You must never give into despair. Allow yourself to slip down that road and you surrender to your lowest instincts. In the darkest times, hope is something you give yourself. That is the meaning of inner strength.”
