How has CSUF prepared you for your future?
CSUF has given me opportunities to know professionals in the career I am pursuing. I have gained many friendships as well. It has also allowed me to explore my major and its many branches to figure out what I want to do.

How has HHD prepared you for your future?
HHD has helped me connect with many leaders throughout campus. It has inspired me to take leadership roles that I had not thought about taking throughout my college career.

What advice have you gotten from faculty that has influenced your success?
Katie Herbst, my Jumpstart site manager, tells me that it is important for me to set time for myself and to not over-do things. I evaluate my life and my time to see if it is possible without having to stretch myself thin in order to make it happen.

What are some benefits of being involved?
Getting involved lets you get to know your college better, and get to know many people that will probably end up becoming important figures in your life.
