There are multiple steps in applying to the Master of Science in Athletic Training (MSAT) program at California State University, Fullerton:

1. Complete the Athletic Training Centralized Application System (ATCAS) application at [https://atcas.liaisoncas.com](https://atcas.liaisoncas.com) by the deadlines listed below.
   - Most questions related to completing the application can be answered at the help center link [https://help.liaisonedu.com/ATCAS_Applicant_Help_Center](https://help.liaisonedu.com/ATCAS_Applicant_Help_Center). Frequently asked questions regarding the application include the following:
     - Enter all coursework completed (make sure what you enter exactly matches your official transcript)
     - Send official transcripts from each college or university previously attended directly to ATCAS (see the link below for specific instructions on submitting your transcripts)
       - Note: ATCAS must verify that the coursework submitted in your application and your official transcript(s) match. This verification process can take 1-2 weeks after your application is submitted and your official transcripts are received by ATCAS.
     - Request two (2) letters of recommendation for your evaluators
       - 1 must be from a Certified Athletic Trainer (ATC) who supervised your clinical observation hours
       - 1 must be from a profess/teacher who can describe your academic abilities
         - Note: After submitting contact information for your evaluators, they will electronically submit their letters directly to your ATCAS application.
   - Submit Graduate Record Exam (GRE) Scores
     - Note: no minimum score required but it is recommended to earn scores of 150 or above on Quantitative Reasoning and Verbal Reasoning. A score of 4 or above is recommended for the Analytical Writing section.

2. There are two deadlines for the Master of Science in Athletic Training (MSAT) program.
   - **Priority Review Deadline – 12/2/2019**
     - These applicants will be given priority consideration and on-campus interviews may be offered by the MSAT Admissions Committee in early January
   - **Regular Admission Deadline – 1/15/2020**
     - On-campus interview may be offered by the MSAT Admissions Committee in late January or early February.
     - After January 15th, the MSAT will review submitted applications only if there is still room available in the cohort.
     - **Regardless of admission deadline, incomplete applications will not be reviewed until finalized.**
3. The athletic training faculty will review all applicants and those meeting our requirements will be invited for an on-campus interview at CSU, Fullerton in January or February (average temperature 69°)
   - Note: travel costs related to attending an interview are the responsibility of the applicant but notifications will be made as soon as possible to allow prospective students to find the most cost-affordable options
   - Note: Closest airports are Orange County (SNA) at 18 miles, Ontario (ONT) at 26 miles, or Los Angeles (LAX) at 36 miles.
   - Note: The Fullerton Marriott at California State University is on-campus and there are numerous other hotels within 5 miles
   - Note: Disneyland is only 8 miles away from CSU Fullerton 😊

4. After interviews, only those that are offered admission into the MSAT program will need to complete the Cal State Apply application (a CSU requirement)
   - The Cal State Apply application is very similar to the ATCAS (but does not require as much information), so in most cases you can simply copy your ATCAS application data and enter into the Cal State Apply application
   - Transcript Entry is only needed for in progress and planned courses. Applicants who already have a bachelor’s degree do not need to enter in their coursework
     - Note: If the applicant is currently enrolled, or graduated from CSU Fullerton, then only official transcripts for any coursework completed at other colleges after admission to CSUF are required.
   - Submit one (1) official transcript from each college or university previously attended to:
     Office of Admissions
     P.O. Box 6900
     Fullerton, CA 92834
   - Submit Graduate Record Exam (GRE) scores to the Office of Admissions and Records (school code: 4589; department code: 0623).
