CASSA's Hygiene Drive for Families Forward

Join CASSA in supporting Families Forward! This nonprofit organization helps children and families in need achieve and maintain self-sufficiency through housing, food, counseling and education. 32,000 children are homeless in Orange County alone and Families Forward helps ensure that a child’s welfare and stability are protected and supported even during times of fear, hopelessness and crisis.

Your donation of unused and new hygiene items will help provide these struggling families with the basic necessities in life and guide them along to self-sufficiency.
