Important Note: The CICE database is constantly being updated with new listings. Please check the Center’s database for the most current listing. It is imperative that students follow the instructions on “how to apply” for each site. In some cases students must contact the district. In other cases students should contact Principals or some other party. For some districts, only existing employees are eligible to complete academic internships. Prior to starting your hours: after securing a school through one of the districts listed above you MUST stop by or e-mail the CICE office to update the database with the name of the school and the supervisor. Update that information prior to starting your hours and prior to registering yourself on CICE.

CICE Office is located at LH-206 or call 657-278-3746. The CICE e-mail: cice@fullerton.edu
