# Interested in learning about non-profit practicum sites?

- ❑ CAS 394 is offering a specialized practicum course for FA2025 that will be held on select Wednesdays from 11:30-12:50 (hybrid) and taught by Professor Debra Stout.
- ❑ This practicum will require students to be in a non-profit site. There will be two sites for immediate placement (or with faculty approval you may find a non-profit of your choice).
- ❑ The two sites are: Higher Ground and Center for Healthy Neighborhoods. See their websites for info about each one.
- ❑ For more info: [dstout@Fullerton.edu](mailto:dstout@Fullerton.edu)
