

Can Tab Donations

As we recycle to help our environment, we can be raising funds to help local children and their families at the same time! The can tabs collected by CASSA benefit Ronald McDonald House Charities in providing comfortable housing and emotional support to families of critically ill and injured children who are being treated in nearby hospitals throughout Orange County.

For more information, please visit: <http://rmhc.org>
Aluminum can tabs can be found on soda cans, cat/dog food, soup, beans, juice and other beverages, etc.

**30 can tabs = 1 community service hour
(2 hours max per semester)**

Please place can tabs in an envelope or a ziploc bag, labeled with your first & last name, and your email address. Can tabs can be turned in during office hours at EC-542 or at general meetings on Thursdays.
