Agency Description  
Since 1926, Foothill Family builds brighter futures – empowering children and families in our community to overcome challenges and achieve success in relationships, school and work. We provide counseling, social services, mental health treatment for children, education, and outreach. Our programs and services are available at our six Family Center locations in the San Gabriel Valley as well as at preschools, elementary, middle and high schools, community centers, and in-home visits. Ninety-one percent of children who receive our clinical services are from poverty-level or low-income families.

Learning Opportunities  
Trainees provide individual, couples, and family therapy to address a variety of issues including ADHD, Depression, Anxiety, disruptive behavior, trauma, grief and loss, child abuse, domestic violence, parenting and divorce related issues. Practice clinical skills: complete initial assessments, diagnose, treatment plan, learn about EBPs, and try out a variety of clinical interventions. Attend in-service, online, and on site DMH trainings.

Theoretical Orientation  
Brief Therapy, CBT, Rogerian, Strengths Based, Family Systems, Solution Focused, Integrated Developmental Model and Reflective Supervision

Possible Stipend:  
$1,000 stipend for bilingual trainees with satisfactory performance, only, paid at end of traineeship.
