Agency Description
LBCC is a diverse campus whose student population is 46% Latino, 18% African American, 17% White and 14% Asian Pacific. In addition, a majority of students are low-income, first generation college attendees. Trainees will perform short-term therapy, 6 sessions, and crisis intervention services to students presenting with a wide range of behavioral health issues such as academic stress, anxiety, depression and adjustment. Trainees will be trained on assessment techniques utilizing CCAPS-62 and CCAPS-36 Assessment Instruments and will also be involved in developing an “Active Minds” chapter on the LBCC campus whose purpose is to destigmatize mental illness among college students.
