Agency Description  
We are a youth MediCal clinic serving children ages 2-21 with a full range of DSM diagnoses. We use evidence-based practices such as PCIT, FFT, TF-CBT and the Incredible Years parenting group. Opportunities to do individual, family, parent (as indicated), group counseling, and learning evidence-based modalities are available, as well as learning MediCal paperwork requirements. Some elementary school-based counseling is also offered. Collaboration with our multidisciplinary staff is encouraged, which includes: MFTs, LCSWs, Psy.D.s, MDs, TBS coaches, staff in the licensure process, and trainees from various counseling programs. APA Accredited internship site.

Theoretical Orientation  
No orientation is mandated, though much of our work is best described through CBT language that is measurable and observable. Various orientations and evidence-based practices are utilized.

Possible Stipend  
No stipend, however mileage and parking fees are reimbursed for treatment and other work-related travel.
