Steps to Apply to Kappa Omega

KO is our local chapter of the International Honor Society Chi Sigma Iota (CSI), which is part of the American Counseling Association, (ACA).

To be part of our chapter, you will need to join CSI (the national honor society organization) at www.csi-net.org (\$50 by credit card only). Applications are processed each Monday by CSI Headquarters and when approval is received from Dr. Lewis. Certificates and pins are sent to her for distribution during formal initiation ceremonies during which the [CSI Oath](#) is administered. All new members will receive an initiation certificate during their chapter initiation ceremony. The initiation ceremony and oath is required for full membership into Chi Sigma Iota.

CSI membership is for 12 months – the renewal fee is \$40. CSI-KO membership is a onetime only fee.

Some of the benefits of joining and **remaining a member** of KO include purchasing honor cords to wear at commencement as a member in good standing, discounts at our KO events, opportunities for professional and social networking, earning CEUS and it is a good résumé builder
