

**HEALTH SCIENCE DEPARTMENT
COLLEGE OF HEALTH AND HUMAN DEVELOPMENT**

**Health Science
Tenure Track Position**

The Department of Health Science at California State University, Fullerton (CSUF), invites applications for a full-time tenure track faculty position. Applicants should have experience in one or more of the following areas environmental health, gerontological health, and/or international health.

The Department offers a B.S. in Health Science (with focus areas in health promotion and disease prevention, and environmental and occupational health and safety), and a Masters in Public Health (with focus areas in health promotion, environmental and occupational health, and gerontological health). Visit our web site for more information about the department: <http://hdcs.fullerton.edu/hesc>

Position

- Teach undergraduate and graduate health science courses in area of expertise and in at least one of the following areas: program planning, curriculum design, and/or community health.
- Advise and direct student research and graduate theses/projects/exams.
- Assist in the development of advisory tracks in health science.
- Assist with establishment, coordination, and supervision of student internships in health science.
- Provide academic advisement and career development counseling.
- Provide professional service to the department, college and university.

Qualifications

- Earned doctorate in public health, health science or related field by time of appointment. MPH, CHES strongly recommended.
- Evidence of successful teaching, focused ongoing scholarly and creative activity with a record of scholarly publications and presentations, potential for obtaining grants and external funding, and leadership activities in professional associations.
- Research and professional background in one or more of the following: environmental health, gerontological health and/or international health.
- Ability to work successfully with students, colleagues and the community in a multicultural environment.
- Experience in online teaching strongly recommended.

Job Control Number

23603G-09-049

Appointment Date

August 2009

Rank & Salary

This is a tenure-track position at the rank of Assistant/Associate Professor. Salary is highly competitive and commensurate to rank, experience and qualifications. Periodic salary adjustments are enacted by the state legislature. Additional teaching in summer and intersession is often available. An excellent, comprehensive benefits package is available which includes health/vision/dental plans, spouse, domestic partner and/or dependent fee-waiver; access to campus child-care as well as a new affordable housing program; a defined-benefit retirement through the state system

along with optional tax sheltering opportunities. For a detailed description of benefits, go to http://hr.fullerton.edu/Benefits/Faculty_Unit_3.pdf

Application Procedure

Applicants should submit a letter of application, current vitae, transcripts of graduate work, copies of most recent teaching evaluations, a sample of scholarly work, and three letters of reference. Send application materials to:

Chair, Health Science Search Committee
Department of Health Science
California State University, Fullerton
800 N. State College Blvd.
Fullerton, CA 92831-3599

For more information about the position contact the search committee chair, Dr. Sora Tanjasiri at (714) 278-4592 or e-mail: stanjasiri@fullerton.edu

Application Deadline

Review of application materials will begin November 1, 2008 but the position will be open until filled.
