

APPLICATION PROCEDURES (Master's Degree in Public Health)

The application process involves two parts. First, (#1 below) you must submit a general on-line application to Cal State Fullerton and be admitted into the university while being considered by the department for entry into the graduate program in Public Health. The on-line application process is handled by the Office of Admissions and Records. When you select (Public Health) in the Major/Program Objective drop down box, our graduate program is notified. In Degree/Objective: select "Other (Specify)" and type Master of Public Health in the script prompt line. Second, submit additional paperwork requested by the MPH Graduate Program directly to the department (#2 below). **Note that you will need to submit two (2) sets of official transcripts, one to the Office of Admissions and one to the Master of Public Health Graduate Program.**

(1) To complete your general application to Cal State Fullerton you must:

- Submit the completed *California State University Graduate Application for Admission* (including the application fee) on-line to the Office of Admissions and Records. www.csumentor.edu
- **Submit one (1) official transcript from each college or university previously attended to:

Office of Admissions and Records
California State University, Fullerton
P.O. Box 6900
Fullerton, CA 92834-6900 Phone: (657) 278-2300

***if previously accepted as an undergraduate at CSUF only transcript from any school attended after acceptance is required.*

***Students currently in graduate status at CSUF do not reapply, instead, submit a Change of Objective request form to Admissions and Records and complete step 2 below.*

(2) To complete this application to the Master of Public Health graduate program you must submit to the department:

- A narrative statement (300-500-word essay describing how the program relates to your professional goals) *the on-line application has an essay section – just enter a few lines – the narrative submitted to the department is our requirement.*
- Submit a current resume
- Submit two letters of recommendation (professional and/or academic)
- **Submit one (1) official transcript of all previous college/university coursework.

***if accepted as an undergraduate at CSUF only transcript from any school attended after acceptance is required.*

Send essay, resume, letters of recommendation, and one set of official transcripts to:
