

HSSA MISSION STATEMENT

The purpose of the Human Services Student Association (HSSA) is to promote professional and ethical development of its members by providing opportunities for interaction between our members, faculty, CSUF administration, and community providers. Also to encourage service to individuals, families, and the greater community while establishing friendships and to recognize high achievement in the pursuit of academic excellence. HSSA membership is open to all CSUF students who are interested in being a part of our family

How To Join:

To submit an application, please visit the Human Services Student Association Board located on the first floor of the EC Building and return to EC 476 or during Board Office hours in EC 105.
