Research Study Opportunity

Physical Activity and Social Network Site Use

Do you use Instagram, Facebook, Twitter, Snapchat?
If yes, you can help us learn more about how your online interactions relate to what you think about physical activity.

To participate you must be:
• 18 years of age or older
• Use social network sites such as Facebook, Twitter, Instagram, Youtube, Snapchat....
• We are looking for individuals of all physical activity levels!

You are invited to complete a brief (10-15 min) online survey asking about your social network use and your physical activity behaviors. Participate and your name will be entered into a drawing for $50 AMAZON gift card.
