APPLICATION PROCEDURES
(Master’s Degree in Public Health)

The application process involves two parts. First, (#1 below) you must submit a general on-line application to Cal State Fullerton for review by the university while being considered by the department for entry into the graduate program in Public Health. The on-line application process is handled by the Office of Admissions and Records. When you select (Public Health) in the Major/Program Objective drop down box, our graduate program is notified.

Second (#2 below), submit additional paperwork requested by the MPH Graduate Program directly to the department.

(1) To complete your general application to Cal State Fullerton you must:

- Submit the completed California State University Graduate Application for Admission (including the application fee) on-line to the Office of Admissions and Records. www.csumentor.edu
- **Submit one (1) official transcript from each college or university previously attended to:
  Office of Admissions and Records
  California State University, Fullerton
  P.O. Box 6900
  Fullerton, CA 92834-6900
  Phone: (657) 278-2300
**if previously accepted as an undergraduate at CSUF only a transcript from any school attended after acceptance is required.
**Students currently in graduate status in another program at CSUF do not reapply, instead, submit a Change of Objective request form to Admissions and Records and complete step 2 below.

(2) To complete this application to the Master of Public Health graduate program you must submit to the department:

- A narrative statement (300-500-word essay describing how the program relates to your professional goals)
  the on-line application has an essay (SOP) section – enter “Sent directly to Department”.
- Graduate Record Exam score report (general test)
- Submit a current resume
- Submit two letters of recommendation (professional and/or academic)
- **Submit one (1) copy of transcript from all previous college/university coursework.
**if accepted as an undergraduate at CSUF only transcript from any school attended after acceptance is required.
