

# UNA-USA 2017 LEADERSHIP SUMMIT

JUNE 10-13, 2017 AT WASHINGTON, DC

# UNA-USA LEADERSHIP SUMMIT

- UNA-USA members from around the country came together for three days packed with advocacy and action for a global agenda.
- Conference attendees met with high-ranking U.S. Government and UN officials, learned from global experts, and urged Congress to make progress on key humanitarian issues.

# Attending Important Conference Seminars

- Raising Awareness About the United Nations Through Partnerships
- Beyond Ebola: Global Health Pandemics and Prescriptions
- Peacekeeping and Peacebuilding
- International Action on Climate Change
- Adopt-A-Future: Your Role in Helping Refugees

# Engaging in National Advocacy

- Urge our public officials to fully support the missions of the UN.
- Engage with many elected leaders to express our concern for key humanitarian issues such as Peace and Security, Energy and Climate, Women and Girls, and Global Health.

# The Benefit: Sustainable Development Goals (SDGs)

- Learn about how the SDGs make an impact in our local communities.
- Advocate for the SDGs so that future generations are able to live a better way of life.
- Brainstorm ideas on how we can help implement the SDGs within our campus community.

# The Outcome: Act Local and Aim Global!

- More than 80% of Americans support the work of the UN
- GenUN aims to educate and inspire other students to make meaningful action of global issues
- Your support allows us to share what the UN is doing in our local and global community.
- Thank you!

Strong  
UN.  
Better  
World.
