To fulfill concentration requirements, CHAF majors select **SIX additional courses** from the following list. We strongly recommend students select topical courses based on their professional interests, the requirements of graduate programs they will apply for, and the target populations they plan to work with.

Courses must meet these requirements:

- At least **THREE** courses must be CAS.
- At least **THREE** courses must be upper-division (having a number 300 or higher).

See the next pages for our specific course recommendations for early childhood professionals working in preschool centers and family childcare. If you are interested in post-baccalaureate or credential programs, please see the advising guides for Single Subject credentials, Special Education credentials, and graduate study.
