CAS 302

Cultural Competence in Developmental Contexts

First semester offering this small interactive course.

Students may petition for course to count as a topical development course in the CAS major or CHAD or Adolescent Development minor.

Pre-requisites: CAS 101 and CAS 201

In future semesters CAS 100 will be a pre-requisite, but it is waived for Spring 2025.

CSUF
COLLEGE OF
Health and
Human Development

Overview and application of the knowledge, skills and values that promote cultural competence in developmental contexts. Discussion of theories, topics and practices focused on issues of inequality, racism, culture, and the strengths of historically minoritized children, adolescents and families.

Spring 2025 Hybrid Course
